Oscar night in Hollywood. Through the years, filmland honoring its own; exciting presentations, leading to the final, most important choice: BEST PICTURE. MGM is both proud and grateful that the Award goes to 'Gigi'. In that gay film musical, released in metrocolor, Maurice Chevalier appears in a story of Paris at the turn of the century...a saucy French charmer growing up, portrayed by Leslie Caron. Louis Jordan also is featured. 'Gigi', winner of 9 Oscars is one of the great films which make going to the movies a delight!
