

CAR RACE THRILLS 200,000.

33 of America's ace drivers were away in the Indianapolis Five-Hundred. 200 laps of the two-and-a-half-mile circuit perhaps the most danger-strewn speedway in the world.

Thrill upon thrill came thick and fast. Eddie Sachs skidded off the track, then on again; and a collision missed by the skin of their teeth.

Sachs took his car out of harm's way, but was soon back in the race.

Lap 36. Len Sutton hit the barrier, and escaped unhurt.

With a hundred miles behind him Mike Magill overturned and slid upside down for 300 yards.

Firemen ran to the scene in time to prevent a blaze. Magill was rushed to hospital with a chipped backbone and bad cuts.

In the end, Roger Ward drove his Leader Special past the flag.

Ward won at the record speed of 136 miles an hour, boosting his bank balance by 100,000 dollars, jelly well earned...
