She has been to Bermuda taking part in the 350th anniversary of the founding of the Bermuda (Azores).

She has been without mail for 10 days and will be away for a month.

A Shackleton of R.A.F. Coastal Command from R.A.F. Station St. Nowan dropped 17 sacks of mail to the ship and completed a 12 hour, 1,800 mile round trip to do so. H.M.S. Bermuda was 150 miles North East of the Azores when the drop was made.
