ICE SHOWS WARMS UP.

It's not the shaggy dog story of all time, just the 20th Anniversary of the famous Ice Capades; a beautiful birthday cake on ice. And the loveliest attraction, German figure-skating champion, Hilga.

Ronnie Robertson caps his act with a whirling exit.

A salute to the Canadian Mounties. After this warm-up in Atlantic City, the Ice Capades go out on a national tour.

Bill Henry Junior balances on minimum support, one finger, supplied by Bill senior. They're the only father-and-son act on skates.

And to top off the big show, the clowns. But don't send them an invitation; they're nothing but home-wreckers.
