no?
which countries
etc.

The above club is having their last function on Sunday week September 27th in which is included a 75mile international race, and I would strongly recommend that if possible this item could be covered by our Pathe News, as it is of considerable interest to the Midlands and in particular Birmingham where as you know we have several bookings

12.30
Sunday

The organiser of the event is Mr. Davis of the Regent Cinema/ Brownhills (who incidently has run our News for more years than I care to remember) and he can be contacted by telephone at DUDLEY 53330.

I have explained to Mr. Davis that your commitments may be such that this interesting item cannot be covered, but in any case I would be grateful if you would contact him by telephone on Monday letting him know the outcome.

In reply to your memo of September 17th, regarding the South Staffordshire Hydroplane Racing Club.

I have been in touch with Mr. Davis of the Regent Cinema, Brownhills and have agreed to cover the item. You will appreciate that we get numerous requests to cover these Hydroplane races and this type of story does not appeal to the masses, but if it is going to help you in your area, I am prepared to go ahead and cover.
