

ICE GETS BIG LAUGH.

Opening night of the famous Holiday On Ice show filled to capacity Berlin's Deutschlandhalle.

This turn's called the Last of the Mohicans, though what Red Indians ever did on skates, heaven knows.

Ted Dolly and Johnny Leech, from London, supplied the top comedy item, Cop and Costermonger. So far it doesn't look like anybody being arrested.

Every harrow-bey expects now and then to come up against the police.

Now, Now. Wasn't doing anything wrong. Don't exceed your authority.

Off they go to the police station. Nothing can stop 'em.
