

59-95.POOL WINNER.

Talk about dreams coming true: Biggest ever individual win on the pools; AND the record second dividend.

To pose for press pictures was a change for Sydney Keen, who's spent his life printing newspapers. Arthur Webb's first dividend was more than £265,000. But Sydney Keen was quite happy with his £104,000 and a bit over. Luck on this stupendous scale is something we all try to imagine having ourselves. Then they had two clear days to go home and do their pools.
