STEYNLAAN 5 - HILVERSUM (HOLLAND)

RETURN.-

The evacuated inhabitants of Tuindorp-Costzean could return to their houses.

With all sorts of cleaners every family reached their house, where they found an enormous chaos.

For some people this was a complete surprise.

The younger ones endure their loss courageous and resigned.

But the old people were, as Prince Bernhard could notice, desperate. H.R.H. had come to this place to convince himself of the situation up there.

Everybody walk in thick coats, because stoves aren't burning.

Tuindorp Costzean has energetic started on his repair work.
