Dress-rehearsal - so to speak - for the German national team before its departure for Squaw Valley.

The German Olympic team was matched with a young CSR-team which had recently booked successes against the Wembley Lions - in Switzerland and against a Sovjet selection.

In Garmisch it was a revenge - game after a 7:3 win of the German team in Munich.

After two fair thirds the Czechs regrettably began to get tough and a number of fouls were booked against them. (Schmidt-Bereck) two minutes before the end Eden (CSR) fell unhappily over the German Waitl and hurt him badly. The match ended 2 : 0.
