

600 HAVE MUDDY RUN.

A tremendous turn-out braved the worst running day of the winter, in the Senior Race for the Southern Counties Cross Country Championship. More than 500 of them tackled three laps of the 3-mile course at Parliament Hill Fields. What an afternoon to run nine miles; among famous athletes competing was Gordon Pirie, but this wasn't his afternoon.

Mud in your eye. Carry on.

M. Talloch and Frank Sandow were well up all through the race. In the last lap, one man was so far in front there was no catching him. It was J. Merriman, of Watford Harriers. He won in the excellent time (under those conditions) of 48 minutes, 55 seconds.
