CAR- EXHIBITION

An international car-exhibition is held in the R.A.I. in Amsterdam.

At the occasion of this event, the craziest rallye of the world is organized, named "Grand Concours des Constructeurs", because it's the last time that a car-exhibition is held in this R.A.I.-building.

This rallye shows a great number of very strange cars.

Winners of this rallye were the owners of the so-called deux-jumeaux.
