"WHEN ELVIS COMES MARCHING HOME"

He was just another G-I to the Army during seventeen months in Germany - but now he's the popular Elvis again...an eye-catching favorite, as he prepares to end his military career. At Fort Dix, New Jersey, the press is out in force for Sergeant Elvis Presley. Nancy Sinatra (Nancy, Junior, she's called) is among friends present. Elvis is going to have a real welcome home on movie marquee of the nation where they'll be playing his all-time MGM hit "Jailhouse Rock," in which he sings seven songs. And now the rock'n roll idol calmly faces the microphones. He has the obvious question put to him.
