RAG DAY
March 12 1960

18/2/60

BARBARA BARNETT ESQ

Dear Sir,

As part of our stunt programme for this year's Rag we are again planning a Pram Race from Leicester Square to the Town Hall Square, Leicester, some 100 miles.

Stunts of this nature are attracting considerable public interest at present, so I wonder whether, as Pathé News correspondent, you are interested.

The race will start at a few minutes past twelve on the morning of Monday 7th March and proceed up the A6 to end in Leicester in the mid-afternoon.

There will be fifteen teams competing, five

Of these of students outside of Leicester, from Nottingham, Reading, Hatfield and London, the other ten from the various Colleges in Leicester. Each team will be made up by twenty pushers.

We already have full police permission to hold the race.

In arranging this and other stunts it is intended to draw public notice to our own and other student Rags and their aims, and I hope you find the idea sufficiently interesting to help us.

Sincerely

Andrew Wray.
