CAMPERS AID PLAYING FIELD.

Butlin's Festival at the Albert Hall. On the floor, the Professional Modern Dancing Championship.

This is the time to send a rocket for the Army! Forward, Private Excused Boots Bisley.

This military operation's getting out of hand. Why don't they get their brains washed?

Here comes Billy Butlin himself. Perhaps he can put some order into this Army Game.

Object of the exercise? To accept the cheque for the eight thousand pounds which holiday campers subscribed to the National Playing Fields Association.
