WENDY WINS.

And now. What a heroine; 19-year-old Wendy Lewis was in the lead, pretty well exhausted, but with spirit enough for a hundred. 40 minutes after midnight Wendy reached Land's End, with 10,000 people to give her the wlooms she deserved.

For the second time the amazing Liverpool girl had walked from Johan o'Groats to Land's End, and this time she took only 17 days 7 hours, a bit over. The Butlin thousand pound cheque was hers. Wonderful Wendy.
