Miss G. Field,
Pathe Newsreel,

LONDON, W.1.

28th January, 1960.

Dear Miss Field,

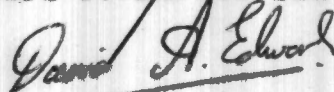

As you may be aware, the Hunter's Improvement and National Light Horse Breeding Society is to hold it's annual Thoroughbred Stallion Show at Newmarket on Thursday, 17th March, 1960.

In view of the potential News Value of the Show and also the fact that you featured last years show in a newsreel released on March 15th, 1959, we wondered if you would again be giving coverage to the event.

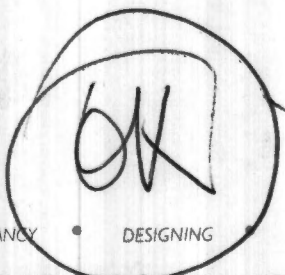

We would be pleased to supply the necessary Press Passes for your staff and would be grateful to receive from yourselves any details of facilities that you might require.

Perhaps you would be good enough to let me have your views on this subject and also details of your requirements.

Yours sincerely,
TOM PHILLIPS PUBLICITY SERVICE

The Presidency of the Hunters' Improvement and National Light Horse Breeding Society will next year be held by Her Majesty Queen Elizabeth the Queen Mother.

She will succeed the present President, who is Sir Ian Walker-Okeover, Bart., D.S.O.

The Society holds two annual shows - The Thoroughbred Stallion Show and the Hunter Show. This year the National Thoroughbred Stallion Show will be held in the Park Paddocks, Newmarket on 17th March, 1960. The judging of the Show commences at 9.a.m. and it is expected that there will be a record entry of first class animals.

This is the second year that the National Thoroughbred Stallion Show has been held at Newmarket; previous to last year it had been held at the Old Derby Racecourse.

This venue for this year's Hunter Show will be Shrewsbury.

NATIONAL THOROUGHBRED STALLION SHOW
PARK PADDOCKS, NEWMARKET.
MARCH 17TH 1960.

The Hunters Improvement and National Light Horse Breeding Society will present its Thoroughbred Stallion Show in the Park Paddocks, Newmarket, by kind permission of Messrs Tattersalls on 17th March 1960. Judging will commence at 9.a.m. and a record entry of first class animals is confidently expected.

This is the second year the show has been given at Newmarket, after a number of years at the old Derby Racecourse, and following the tremendous enthusiasm with which last year's show was received, it was only natural, perhaps for the Society's stallions to achieve a post war record in their 1959 service season. (3,076 mares for 51 Premium Stallions).

The new President of the Society is Sir Ian Walker-Okeover, Bart., D.S.O., and following Sir Ian the Society has been greatly honoured by Her Majesty The Queen Mother graciously accepting the office.
