

HIS 'N' HER HAIR-DOES

Marcia Roberts and Michael Kelly had a real cool idea; a hair-do for Master. Better than that - twin hair-does, both alike, just the thing for a couple of cats. The place these two characters went to, caters for exactly that, dressing the creps like crazy. Sort of place that gives new heads for Teds. Girls, like boys, boys like girls, both (the squares think) like nothing on earth. Okay, man, shoot that crazy wind machine.

Cyril certainly is the "best" in this business. What a stylist.

A touch of the silver spray and you're king of the coffee bar.

The maestro was lost in admiration of his handiwork.

Gassing about kings, how about queens? 1960 version, silver threads among the gold. You know, all this talk about sex equality has clean gone to their heads.
