THESE FILMS MAKE NEWS.

A Gala Film Premiere away from London. Manchester gave the first showing of this particular picture, based on a book by a Manchester ex-policeman. Director Val Guest came to see his film, escorting Vanda Godsell, who has a part in it...Peter Arne with Sarah Branch. She is in the film and is quite a discovery...Peter's now filming in SANDS OF THE DESERT. Carole Lesley drew every eye. They'll have to change the old saying into, "What Manchester sees today London sees tomorrow". If Premieres become a habit here. Then, that popular pair, Janette Scott and Jackie Ray.

Leaving them in each other's company, over to Hollywood. Oscar night. The 32nd Annual Academy Awards. Charlton Heston, star of Ben Hur, keeping his fingers crossed.

Elizabeth Taylor and Eddie Fisher.

The evergreen Jim Stewart.

Every seat occupied in the Pantages Theatre. And on stage to announce the best actor of the year was Susan Hayward. A dramatic moment.

Best actress, Simone Signoret, for her performance in the British film, ROOM AT THE TOP....
