

MEN'S HAT THE LIMIT.

Men simply must be made hat-conscious. Away with this going about bare-headed. Hat manufacturers say it with feathers, sometimes. They offer scores of ideas, all different...but let us watch, fascinated.

Want to attract Maid Marion? Robin Hood's the style for you.

Say, pardner, how's about hittin' the trail? Sure be a sensation in any gal's town.

Fashions come and fashions go, but the good old bowler goes on forever. Still, it is time men were shaken out of their lethargy and went in for gay hats. Why should it always be left to women to go hat-crazy? Aren't men entitled to have a fling too? A sort of titfer-tat?

Perhaps you like something quiet...This spring the hats are all here. Wanted: some brave men to wear them.
