

Story. Climbing Croagh Patrick mountain of pilgrimage Co. Mayo.
Cameraman. Bill St. Leger.
Film used. 300ft. Tri x.
Light fair.

Over 50,000 pilgrims from all parts of Ireland and groups from Belgium, Holland, France Germany, the United States and Gt. Britain made the 3000 ft climb to the ~~imposaf~~ summit of Croagh Patrick on Sunday last the 31st. July 1960.

Youth was very much in the fore among the thousands of people who took part in the annual pilgrimage. The weather was the worst in ten years. This mountain of pilgrimage is known throughout the whole world. See newspaper cuttings enclosed. The mountain is known to pilgrims as "the reek!"

Roll 1. General shots of the mountain Croagh Patrick. These were taken in the early morning, they show the mist over the mountain.

Pilgrims climbing the mountain.
