22nd August, 1960

Dear Mr. Fearnley,

Confirming our telephone conversation with the Press Bureau this afternoon, we understand that the Traffic Wardens scheme will get under way at the end of September, but before that time the Wardens will undergo a fortnight's training at the Metropolitan Police College. We would very much like to have facilities to take one or two shots for the newreel and hope that this can be arranged.

Looking forward to hearing from you.

Yours sincerely,  
ASSOCIATED BRITISH-PATHE LIMITED.

Dear Miss Field,

A brief note to answer your letter of 22nd August, and to inform you that arrangements will be made for you to see the Traffic Wardens in training towards the end of next week or very early the following week. I will let you know the details as soon as possible.

Yours sincerely,

Public Information Officer

Dear Sir,

Facilities to see and photograph the first batch of Traffic Wardens in training are being arranged at Peel House, Regency Street, Westminster, S.W.1., at 10.30 a.m., on Thursday next, 15th September.

Owing to the large number of people who have asked for these facilities, photography will probably have to be restricted to the outside area which is used as a parade ground.

Reporters will be met at 11 a.m. by Mr. J.L. Waldron, Assistant Commissioner in charge of the Traffic Department of the Metropolitan Police, in the Lounge at Peel House, where he will answer questions.

The first batch of Wardens will begin duty in the Westminster Council Area on Monday next, 19th September.

Yours faithfully,

Miss Grace Field,
