BARRYMORE WEDDING.

The wedding of lovely Italian star Gaby Palazzoli to American actor, John Drew Barrymore, in Rome brought the press photographers out in force. For once, it was the groom, son of the famous John Barrymore, who attracted all the attention, outshining even his radiant bride. Inside all was as it should be as the couple signed the register. But outside everyone wanted a closer look at the bridegroom and his waist length jacket, ruffled shirt, pipstom trousers and satin shoes, plus beard.

A happy scene - isn't it? Anyow, we think the bride was lovely too.
