

PATHE JOURNAL

Paris, December 5, 1930

A TRULY PARISIAN SHEETAH

35 mm. developed positive : 17 meters - 57 ft

A Parisian Mr. André Mercier to whom one of his friends
someday left him a baby Sheetah has brought it up in his apartment, and
they are still living peacefully together although the animal is now
fully grown.

Yambo certainly had a heartfull of affection which he has
been happy to see blossoming in the warm atmosphere of his master's home.

However, if you should encounter him in the lift or
going down the stairs, don't call him "Big cat". he does not like it!
