INDIANS OFF TO CONGO.

India has good news for Dag Hammarskjöld. Mr. Nehru is sending 5,000 troops to join the United Nations force in the Congo. They're the pick of Sikh and Gurkha regiments, some of the finest fighting men in the world. The newly-formed Congo-Federation has protested against these troops being sent, but India believes that U.N. authority must be maintained.

Defence Minister Krishna Menon wished them good luck and a successful mission.

The troops will soon get a grip on the situation. Meanwhile they got a good one on Mr. Menon. May India's efforts restore order in the Congo.
