

Covent Garden Plan picture possibilities

Old market including what barrels baskets & men with Tower of baskets on heads - (In library Fire Scenes.) Types of people goods on Sale etc.

Plan or model of suggested building etc.

Traffic problems

Value of Site.

Other vegetable market Spitalfields which handles almost as much as Covent Garden mostly worked during early hours so that Green Grocers get their wares to the shop prior to opening.

Other plan at King's Cross Station showing sidings where it is proposed to build on Stills with possible Copan landing space.

Possible short-interviews with people involved. voicing pros & cons etc.
& a bit of humour from a Cooney
