POODLE FASHIONS

If two poodles go to a beauty parlor nowadays, that is nothing worth commenting on.

In Dusseldorf, however, a real novelty was introduced for canine beauties. This is the poodle-dyeing-machine. The rapidity changing whims of fashion have precipitated a new demand. For the new spring-dress of my lady necessitates a corresponding hair-colour of her poodle-pet.

Blackie is delighted to hear that white is the fashionable colour of spring 1961.
