

LIZ WINS OSCAR.

Oscar night in Hollywood, with the motion-picture industry agog to know the winners of those coveted awards. For the crowds, close views of the stars in person. Jimmy Stewart, for instance.

No mistaking Yul Brynner.

Tony Curtis and Janet Leigh.

Winner of the award for best supporting role, Peter Ustinov.

With tense excitement the big audience awaited Yul Brynner's dramatic announcement; best woman performer of the year:

As Eddie Fisher escorted his wife, Yul Brynner made ready for the presentation. And what a popular choice. It seemed only days ago that Elizabeth Taylor was desperately ill in London, her life despaired of.
