THESE SWANS CAN'T WAIT:

It's no joke to have a family of ten, so hungry they can't have too much. But hark, a bell!

Father will go on ringing till somebody brings the lunch. He learned the ropes from Joe and Betty Hooper, who keep a riverside cafe and trained the swans to call every day for whatever is on the menu. Prompt attention, too! In some cafes you can bang the table bell for ten minutes Lucky Mr. & Mrs Swan! No cost of living problem.
