

61/78WESSEX WIN SCRAMBLE:

52 Scramble stars, 13 teams of four, roared away in the Inter Centre Championship: 10 laps of Rollwood Farm's mile-and-a-half circuit. Last years winners, Southern Centre, were hoping to retain the title. Bumping round this kind of course isn't everybody's idea of a pleasant Sunday afternoon, but it's amazing how these motor-cycle scrambles have caught on in the last ten years.

The requirements for this game? Nerve, skill, and unbruisable muscles in the right places.

The victory of the Wessex team was the day's surprise. On behalf of the Auto Cycle Union, the Chief Steward of the meeting presented the Daily Herald Trophy.
