BERLIN IN THESE DAYS

35 metres  
partly exclusive

Spandau: At the war-crimes prison, in which the nazis Hess, Schierach and Speer are serving their sentences, the U.S. guard took over this month from the Soviets. This prison is the only Berlin institution still under Four Power Control.

At the wall, separating east from west Berlin, loudspeakers dominate the uncanny scene.

(Original Sound)

Sound waves are the only connection over the wall. Berlin, it is true, is now divided - but it remains indivisible!
