Dear Mr. King,

I confirm our telephone conversation with you yesterday that both British Movietonews and ourselves would like to have the necessary facilities for filming the Henry Cooper - Joe Erskine British & Empire heavyweight titles on April 2nd.

It is clearly understood that this film will be used for newsreel purposes only, unless written permission is obtained from the Promoter. This stipulation applies to the United Kingdom and Eire.

Yours sincerely,  
ASSOCIATED BRITISH-PATHE LIMITED.
