

A CROSBY IN THE SWIM

In Hollywood swimming circles a little Crosby goes a long way. Mary Frances, 2-year-old daughter of Bing and Kathy is taking her Red Cross Beginners's Swimming Test. Her proud mother looked on. Bing would have been there, but he was on the road to some-where or other, 6000 miles away. Johnny Weissmuller, who used to play Tarzan, says Mary Frances is the cutest water-baby he's even seen.

Academy awards later on, perhaps; for the present a badge from the Water Safety department of the Red Cross.
