Dear Madam,

I have received your letter of 30 April. The Sheldonian Theatre is still being renovated inside so that the degree ceremony on 27 June will have to be held in the Town Hall this year.

The Curators have not yet made up their minds about the matter of photography in connection with this ceremony, but I think it most unlikely that they will agree to any photography taking place during the actual ceremony itself.

When a decision is made I will write to you again.

Yours faithfully,

Secretary to the Curators.
