NEW ZEALAND CENTENARY ... RECEPTION AT THE MANSION HOUSE.

Just a hundred years ago, New Zealand became British .....  
Today, to mark the centenary, the Lord Mayor of London gives a  
reception at the Mansion House, which is graciously attended  
by Their Majesties, the King and Queen.... As befits the occasion,  
the Guard of Honour is composed of ~~many~~ men of the New Zealand  
anti-tank Corps!

Q/Up. New Zealand! British yesterday, British today, and British after  
the war - - just in case anybody may think otherwise.
