SANTA ANITA SEASON OPENS

The curtain rings up on a new season at Santa Anita and 30,000 fans turn up to give it a good send-off. It's the 15,000 dollar Breeders Stakes, a mile flat for 2 year-olds with big money on it. 14 thoroughbredstreak away from the barriers with Yankee Dandee the favourite at 2-1 and out in front there he looks as if he can stand the pace. In the back stretch Tin Pan Alley's leading with Yankee Dandee moving up. He's taking the challenge. Alan Jones and Jack Haley are getting excited, and why not? Coming into the home stretch Yankee Dandee and Tin Pan Alley are fighting it out like two year olds, neck and neck they strain for the post. Now watch, the Yank is pulling out in front and he makes the post by a length and a half. Dandee? I'll say!
