

EVERTON - v - BLACKBURN
ROVERS:

First-Division Everton kick off (from left to right) against Second-Division Blackburn Rovers at Goodison Park - and Temple and Harris nearly bring off an early attack. But Temple shoots wide, And although right winger Jimmy Harris quickly stages another Everton attempt, wriggling past Bill Eckersley, Mike McGrath intercepts and now Rovers are on the move.

Roy Stephenson to Peter Dohing - Dohing races through - and it's a goal!

It's the visiting Rovers who are beginning to look more like a First Division side - and they're soon on the attack again. Bryan Douglas centres, and everyone jumps for it - but it's cleared upfield, and Everton rally their forces for an assault on the Rovers' goal. Out to Harris who shoots - but it's a corner.

In it comes.....

But Leyland's there - and a quick exchange - and it's cleared!

Blackburn again, moving up on the right wing.

Bryan Douglas centres - Meagan heads - into his own goal!

The Everton players just don't know where to look - but they're two goals down, and something's got to be done about it. A few minutes later they get the chance, through a brief gap in the Rover's right wing. The ball's passed to Jimmy Harris - and there's the consolation prize!

But that's how it stays, in spite of all Everton's second-half efforts - Rovers hand on to their lead, with Harry Leyland putting in some sterling work in the Rover's goal. And the visitors still give Everton some nasty moments. So it's Blackburn to meet Cardiff in the Fifth Round!
