LAND GIRLS AT WORK.

Down on the Farm the Land Girls are doing their bit.... and a bit more.

And you should see their calves.

If you happen to be a calf in Ayrshire these days .... you've got all the luck.

"These little pigs went to - - - mark it!

And what goes for calves goes for calves mums ... too.

The cows of Ayr are getting very upstage.

And after the grooming - - the milking - - by special method.

As you can see .... business is pressing!
