MIAMI AIR THRILLS.

TWELVE THOUSAND FANS SEE AEROBATICS TAKE THE SPOTLIGHT....

AT THE THREE DAY ALL AMERICAN AIR MANOEUVRES IN FLORIDA.

AND HERE'S A NEW KIND OF PARACHUTE JUMP. THIS ONE DOESN'T ONLY SAVE THE

PILOT....BUT THE MACHINE AS WELL. THE PILOT HANGS HALF WAY UP BETWEEN

THE MACHINE AND THE PARACHUTE. BUT ITS HARD LUCK WHEN THE PLANE DOES

THE BUCKING BRONCHO ACT. WHEN IT BUMPS IT BOUNCES..... THE PILOT MIGHT

HAVE BEEN BETTER OFF IF HE HAD JUMBED FIRST.....

FOR THE MACHINE TURNS RIGHT OVER.
