NIGHT PATROL OVER THERE - FRANCE

1. Various shots of the men of a small patrol preparing for their mission in a snow covered dug out, they put all their belongings into a bag then study a map and finally they all have a tot of rum 77
 2. Various shots of the patrol moving out of the dug out through the allied wire and across the snow covered fields of no mans land. They all move slowly and bent low and are led by the officer carrying a pistol - no action and obviously staged by the troops for the cameraman, however some good c.us. 100
