

Haw-Haw.

Germany calling! Germany calling with the voice of a hundred-
million Germans..! This is your favourite reporter Lord H_{aw}-H_{aw}
with the news - the NAHS-TY NEWS.

Knowing that Germany is always ready and willing to go to the aid of
oppressed peoples(hem!) Stalin (pardon, I'd almost forgotten) that
great, magnificent, indomitable leader Stalin asked our Furry for
help against those great bulliesthe Finns. This, of course, is the
Finn edge of the wedge! (haw-H_{aw}).

In the meantime Russians again mastered on the Karelian Front.
As a result they were once more well peppered by the Finns.

A new Epidemic has broken out in Britain. This prevents the English
from making their well known gesture known as "thumbs up". It consists
of corns on the thumbs caused through the switching on and off of
torches in the black out.

Your Mr. Churchill's large cigarsare the product of sweated labour
in British West H_{amp}stead. Yet you say you don't make poison gas!
German bombing planes again visited the Shetlands recently, and as
usual, inflicted heavy losses on the enemy. The British statement
says that the Nazi Bombers "Killed three sheep". for "killed three
sheep" read " sunk three warsheeps".

Twenty of our machines went out on the expedition. Twenty five returned
safely.
