NASTI NEWS FROM LORD HAW HAW... .. NO. 4

Haw-Haw.

Germany calling! Germany calling! Here are the Lie-Sender HUMBUG and station BRAY-men, with Lord Haw Haw giving you the WOIKS - er - the news, THE NASTY NEWS.

I hear that the veracity of some of my broadcasts is in question. And in "Pathe Gazette" they actually make fun of them. I am grateful for the compliments, but I don't want all the credit, as Field Marshal Goering is a bigger li-er-man than I.

England thinks that there's not ~~enough~~ enough chal for German ships! That's just silly my dear listeners. Foreach of our glorious ships... there is at least ONE SCUTTLE!

Doctor Goebbels (affectionately known to all Germans as "Pretty Paul", has again declared that if the Allies must win the war, they must do so at their own risk.
