

R.A.F. HEROES OF SYLT.

Meet some of the men who carried out that heroic raid on the Island of Sylt..... Nazis raided the Orkneys, and by return of post, as it were, the R.A.F. retaliated, with the biggest raid of the war, causing considerable damage.

Now we look in at another aerodrome....to greet another crew on their return from the Big Raid....There's no doubt about their delight, at having had a real smack at Herry.... We are privileged to listen in to a few of their remarks, on landing safely on British soil.

As to that, we have learnt that we can take all the Germans say with a 'grain of SYLT':
