Its All right, Hitler hasn't arrived yet. But one of his cargo boats has. You can see her name above the bridge, THE UHNFELS. When she was at sea her name was painted out, and her home port changed to Rotterdam. Somewhere in the South Atlantic she met the ARK ROYAL, that gave her Captain a bit of a shock, because his bosses had told him that the ARK ROYAL was sleeping with Davy Jones. So the UHNFELS is a British Prize. Three quarters of a million pounds worth of Nazi ~~Goods~~ ship and Nazi cargo.
