

ICE CARNIVAL IN NEW YORK.

Amateurs from all over America, put on a show at Madison Square Garden, just for the sheer fun of skating. And thousands in the Stands thrill to the Waltz Adagio of Ann Tayler and Gene Thresloff from Los Angeles.

Here is beauty on the Ice in pure white. The Skating Club of New York puts on a presentation number, the Courtship of Columbia.

And Fritz Trenkler, who surely is one of the funniest men on ice.

Like Hitler, he doesn't know where he's going.
