**SUN DOWN CEREMONY IN THE TRANSVAAL.**

At Premier Mine South Africa, the second Battalion the Transvaal Scottish are in Camp. Every evening at Sundown they lower the Camp Flag, and go through the picturesque ceremony of the Retreat.

To these far off places in the Empire.... they bring the age old ceremonies of the Home Land. They bring a breath of Scotland to the far herizon of South Africa. One more mark of the unity of all men of our mighty Empire.
