

MISS STREAMLINE OF NINETEEN FORTY.

And here's somewhere else where they're shooting at birds from every angle. Two thousand and fifty....I mean two hundred and fifty... Pacific Coast Duties... I mean Beauties.... all competing for the title.... of Miss Streamline Forty of Nineteen nine... I mean Miss Streamline of Nineteen Forty. What a picture.... what a job.... Ain't it gorgeous.

They even put the cameraman under glass... and look what he sees.... Dedah... dedah... dedah....

Newsreel cameramen should know something about beauty.... and ours hands it to Virginia Encel in the Centre. Where's my hat?
