PUTTING GREEN OPENED

The beautiful Pavilion Gardens of Dunleary has now added another amenity to their natural spa and Mr. T.C. O'Marnie opens the new putting green by driving off in the first game. The gardens were laid out by Mr. Tom Fairburn, the Dunleary's club professional, and here he is with a perfect stance at No.5. Adam Weston his assistant is at No.1. The ex-West of Ireland amateur champion Mr. W.G. McConnell is trying his skill at No.7. Harry Brown the well known international. The course is one of the most delightful in the country, most of it's under a leafy canopy, but that's no excuse for any shady business.
