RW.

1. M.S. and c.u. of Gen. Pershing sitting at his desk speaking he states that the war is that for civilization and he states that the USA must supply the allies with arms as well as supplies 60
2. V.S. at the Curtiss factory of biplane fighter bombers designed for use by the navy being painted and finished prior to their despatch for England - Buffalo USA 37
3. V.S. inc. good c.us. of Henry Ford inspecting fighter aircraft outside his Michigan factory, he is trying to find the design that he could mass produce in his factories 40
4. M.S. Roosevelt speaking at Virginia - On this 10th day June 1940, the hand that held the gagger has struck it into the back of its neighbour (Italy's entry into the war) he continues by stating that all the americas look on a victory by Germany and her allies as a blow for democracy therefore the whole of americas sympathies lie with the nations that are giving their life blood in combat against these forces 84
