Cobber Kain's Colours.

Fiancee of F/L "Cobber" Kain D.F.C (New Zealand air ace who was killed recently) Miss Joyce Phillips, presents the Colours to the 174th Squadron of Air Cadets at Belle Vue Manchester. This is a ceremony which "Cobber" was to perform himself. Now the Colours are dedicated to his Memory. Thousands come to see this presentation by a very courageous girl who wears pinned to her coat, the little Maori Mascot which "Cobber" wore on all his flights.

Air Cadets from all over the Country come to pay tribute to a man who set a fine example by his gallantry and devotion to duty.
