HONOURS FOR THE BRAVE.

Once again the greatest band of heroes in the world is honoured by The King who is accompanied by the Queen.

At a Coastal Command Aerodrome His Majesty decorates a number of Officers for deeds of valour, such as have thrilled us ever since the Royal Air Force first went into action. The King has a few words of congratulation for each of the recipients, and to one man, with a particularly daring record, he was heard to say "I'm proud of you".

So are we all!
